Typical Certificate of Analysis data for Sodium Fluoride, produced by Shanghai Mintchem in Zhuzhou City, China and resold by Solvay Fluorides, LLC, Houston, Texas

NaF – Coarse – Solvay Fluorides, LLC Product code # 68222

SODIUM FLUORIDE COARSE

Batch number 1207192 / Quantity		800 BAG	
We certify this product meets AWWA Standard B701-11 and ANSI/NSF Standard 60 requirements.			
<u>Characteristics</u>	Units	Value	Specification
Assay (NaF)	% (m)	98.74	> = 97.00
Insoluble	% (m)	0.4	< = 0.6
H2O	% (m)	0.5	< = 0.5
Heavy Metals (as Pb)	%	0.0004	
Screen Analysis	-	% Retained	
US > = 20 (850 Micron)	%	1.3	< = 2.0
US > = 100 (150 Micron)	%	52.8	> = 50.0
US < 325 (45 Micron)	%	3.2	< = 5.0
Origin	-	China	

NSF - 60

NSF-60

The product is tested and certified by Underwriters Laboratory to conform to AWWA Standard B701-11 and ANSI/NSF Standard 60. The following mark is shown on the bags of NaF along with the reference to the AWWA and NSF standards:
