Hello Adam,

Your public record request has been processed! The documents you requested can now be found on the County's Public Portal and will be available there for two weeks.

We are pleased to give you access to the following records:

<https://forms.laplata.co.us/weblink/Browse.aspx?dbid=2&startid=14691918>

As it relates to your first request for "a copy of the most recent credit card billing statement for the La Plata County Health Department," please note that the La Plata County Finance Department does not have a credit card billing statement solely for the La Plata County Public Health Department.

As it relates to your second request for "a copy of the most recent invoices and receipts for the safe smoking supplies (glass meth pipes and straws) that La Plata County Health Department purchased for its Harm Reduction Program," please see the enclosed document. Pursuant to C.R.S. § 24-72-204(3)(a)(IV), the PO# was redacted from this document.

If at first your documents don't appear when you click on the above link, please refresh the page and they will appear.

Thank you,

La Plata County Administration
