Dear Adam Howell,

Thank you for your recent public records request submitted on 8/28/2024. Please note that La Plata County is unable to fulfill your request for the following reason(s): Please note that none of the items mentioned in your Colorado Open Records Act ("CORA") request have been purchased by the La Plata County Public Health Department.

Thank you,

La Plata County Administration

You are wrong since your employees give those items to the public.

How did the health department acquire those items, then? Were they donated to the county through a grant?
