Dear Adam Howell,

Thank you for your recent public records request submitted on 8/29/2024. Please note that La Plata County is unable to fulfill your request for the following reason(s): There are no responsive documents to your current, and original, Colorado Open Records Act "CORA" requests. This response fulfills the County's obligation under CORA.

As a courtesy, the following is a link to the Board of Health meeting wherein the Needle Exchange Program was discussed.
